

MINUTE ORDER (text only) authorized by Judge Lauren King: Given Premera's acknowledgment that GS Labs' site closures have rendered the "relief Premera requested in the motion... no longer available," Dkt. No. 47 at 1, the Court DENIES as moot Premera's 40 MOTION for Order TO PRESERVE EVIDENCE. This Order is without prejudice to Premera's right to raise and address GS Labs' alleged destruction of evidence in future motions. (NAW) (Entered: 10/31/2022)
