**ORDER**

Upon reviewing the Case Management Report (Doc. 31) filed in Med-Trans Corporation v. Capital Health Plan, Inc., et al., 3:22-cv-1077-TJC-JBT, the Court has determined to set a joint telephonic preliminary pretrial conference in all three of the above cases to discuss case status and scheduling. The Court does not plan to hear substantive arguments on the motions to dismiss, but they will be discussed. In advance of the hearing, the parties need not engage in discovery.

The **Joint Telephonic Preliminary Pretrial Conference** is set for **January 17, 2023, at 4:00 p.m.** before the undersigned. The telephone conference line will be activated ten minutes before the hearing. To participate in the call, the parties are directed to call the reserved conference line toll free at **1-888-684-8852**. The access code for all participants is **2594705** and the participant security code is **221077**.<sup>1</sup>

The Clerk is directed to change the magistrate judge assignment in 3:22-cv-01153-TJC-LLL to the Honorable Joel B. Toomey so all three cases will be with the same magistrate judge.

<sup>1</sup> To reduce background audio interference, the parties should not use the speaker function during the call and are encouraged to use landlines if possible. Parties must put their phones on mute when not speaking. Additionally, each party must identify themselves when speaking so the court reporter can accurately report the proceedings.
