

Defendant is directed to file a Response to the Motion for a Temporary Restraining Order and Preliminary Injunction on or before May 8, 2023. Plaintiff will have until May 12, 2023, to file a Reply. There will be no extensions of this briefing schedule absent extraordinary circumstances. The Court intends to hold a hearing on this Motion on May 17, 2023, or May 18, 2023, depending on counsel's availability. Counsel must appear at the hearing in person. To the extent Plaintiff is seeking an ex parte TRO, that request is denied. At present, the Court does not see "specific facts in an affidavit or a verified complaint" that "clearly show that immediate and irreparable injury, loss, or damage will result to the movant before the adverse party can be heard in opposition." Fed. R. Civ. P. 65(b)(1)(A). If the Defendant intends to set the application deadline earlier than June 23, 2023, it must immediately inform the Court of that fact and identify the deadline date. As an exercise of its authority to raise jurisdictional issues sua sponte, the Court directs Member A to file a supplemental Declaration (under penalty of perjury) indicating Member A's age and, if under 21, whether Member A is willing, ready, and able to pledge to abstain from the use of alcohol. See Doc. 7-4 at 5 ("This pledge includes alcohol for applicants less than twenty-one years of age."). Under the same authority, the Court orders Plaintiff to file under seal a Notice indicating the name of Member A and the school Member A attends. For the present time and until and unless the Court orders otherwise, the information provided on this Notice must be treated as attorneys' eyes only. That means Defendant's counsel may not share this information with anyone, including but not limited to the Defendant or any other person or entity. Plaintiff is ordered to immediately provide this Text Order to Defendant. Signed by Judge Lee P. Rudofsky on 4/26/2023. (jwp) (Entered: 04/26/2023)
