

ORDER. The 99 motion for status conference is GRANTED. The Court is willing to hold oral argument in this case and believes it would likely be helpful. Right now, the Court's trial schedule is in flux for May and June, but counsel should take note for now of the following possible dates for oral argument: 5/24/2024, 5/30/2024, 5/31/2024, 6/20/2024, 6/21/2024, 6/27/2024, 6/28/2024. The Court should have a better idea of its schedule by April 4, 2024, and therefore schedules a Zoom status conference for April 4, 2024 at 1:00 pm. Chambers will circulate a Zoom link in advance of the hearing. Signed by Judge Michael P Shea on 3/25/2024. (Pierson, M) (Entered: 03/25/2024)
