

ENDORSED ORDER: Counsel, there is no need for a status conference tomorrow and it is canceled. Please file a one-page update no later than November 15, informing the Court your view of the present status before this District Court. Consider in this short discussion the pending appeals as well as the likelihood of mootness given a pending change in administration. Signed by Judge William F. Jung on 11/12/2024. (Jung, William)
