Form 5500 Search

[Show Filters](#) [Help](#)

This search tool allows you to search for Form 5500 series returns/reports filed since January 1, 2010. Posting on the web does not constitute acceptance of the filing by the U.S. Department of Labor, the Pension Benefit Guaranty Corporation, or the Internal Revenue Service.

If your plan is part of a Defined Contribution Group (DCG) Reporting Arrangement, the search results will show the plan name listed on the Filings Form 5500 which is different than the plan name listed on the Schedule DCG. For more information on searching for a DCG filing, click the help page link above.

See the [CSV File Data Dictionary](#) and [Form 5500 Series Data Dictionary](#) for additional information regarding the data included in the downloads.
