**ORDER**

On October 24, 2025, the Court stayed this matter due to a lapse in federal appropriations. ECF No. 102. On November 14, 2025, the Government filed a status report informing the Court that federal appropriations have been restored and requesting that the Court permit the Government additional time to file a status report, to “allow counsel time to discuss an appropriate schedule with NIH personnel.” ECF No. 103. And so, the Government requests a deadline of November 28, 2025, for the filing of a status report on this matter. *Id.* at ¶ 5. The Plaintiffs consent to this request. *Id.* at ¶ 6.

In light of the foregoing, the Court: (1) **LIFTS** the stay in this matter and (2) **DIRECTS** the Government to **FILE** a status report, **on or before November 28, 2025**, proposing a schedule for further proceedings in this matter.

**IT IS SO ORDERED.**
