

MINUTE ORDER (paperless) GRANTING plaintiffs' 20 Motion for Scheduling Order, recognizing defendants' apparent opposition, as communicated to plaintiffs, but also plaintiffs' effort to "accommodate Defendants' counsel's vacation schedule while still balancing Plaintiffs need for expedited relief," 20 Pls.' Mot. ? 4, and ISSUING the following scheduling order: 1. By August 25, 2025, plaintiffs shall file any motion for summary judgment. 2. By September 10, 2025, defendants shall file any opposition. 3. By September 17, 2025, plaintiffs shall file any reply.4. If plaintiffs motion is denied, defendants shall file the administrative record within 30 days of this Court's decision. Recognizing that "the normal summary judgment procedures requiring the filing of a statement of undisputed material facts" are "not applicable" in cases "where the review is based on an administrative record [because] the Court is not called upon to determine whether there is a genuine issue of material fact, but rather to test the agency action against the administrative record," D.D.C. Local Rule 7, Comment to LCvR 7(h), but that no administrative record will be before the Court for resolution of the anticipated summary judgment motion, that, in lieu of the normal administrative record, the parties may instead follow procedures set out in D.D.C. Local Rule 7(h)(1). See LCvR 7(h)(1) (requiring parties to file a statement of material facts with any summary judgment motion, with any dispute of those facts identified in opposition or otherwise deemed admitted).
