ORDER OF COURT

Entered: January 12, 2026

By order entered January 7, 2026, the court set a deadline of 1:00 p.m. on January 12, 2026, for the parties to "jointly propose an expedited briefing schedule." On January 12, 2026, the court received a letter from appellants stating that, in light of recent developments, "the parties do not believe that expediting this appeal is warranted at this time." Appellants further state that they "plan to dismiss the appeal in short order." Appellants indicate in a footnote that appellees' counsel "agree[s] with this position." We construe this filing as seeking an extension of time for the parties to make a joint expedited-briefing proposal. The deadline is extended to 5:00 p.m. on January 20, 2026. In the event the parties are not prepared to file an expedited-briefing proposal at that time, they should file, before expiration of the deadline, a motion seeking an extension of specific duration and, in any such motion, should update the court on relevant developments. As stated in the January 7 order, the parties may present individual expedited-briefing proposals if necessary.

Any future requests for extension of time should be lodged via an unambiguous extension motion filed before expiration of the deadline then in effect. The parties shall continue promptly informing the court of any relevant developments.
