

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF TENNESSEE
GREENEVILLE DIVISION

ORDER

Plaintiffs have filed a Motion [Doc. 3] requesting leave to file under seal unredacted copies of two agreements and an appendix which are referred to and discussed in the Complaint [Doc. 1]. In support, Plaintiffs claim that the documents contain proprietary and/or confidential information and contain contractual provisions limiting disclosure of their contents. Plaintiffs further assert that this measure is being taken out of an abundance of caution, and after Defendants have been served and their counsel appears, Plaintiffs anticipate seeking and tendering a joint protective order addressing any confidential or proprietary information.

The Court finds the Motion [Doc. 3] filed by Plaintiff to be well-taken and it is **GRANTED**. The Clerk is directed to file the Proposed Sealed Documents [Doc. 4] under seal.

SO ORDERED:
