

ORDER VACATING SCHEDULING CONFERENCE AND SETTING STATUS CONFERENCE by Magistrate Judge Susan Prose on 03/14/2026. This matter is before the court sua sponte. Having reviewed the parties' Proposed Scheduling Order (ECF No. 31 ), the court finds that the parties' respective positions relative to discovery are in conflict and a scheduling conference would be premature at this stage. Parties wishing to attend in person may appear in Courtroom A-502, on the fifth floor of the Alfred A. Arraj United States Courthouse located at 901 19th Street, Denver, Colorado.
