JURY DEMAND

STATUS REPORT

The United States of America respectfully provides this status report in response to the Court's order dated July 5, 2023, directing the United States to file a "status report indicating whether the Government plans to file a motion to amend its Complaint in Intervention." ECF No. 255.

The United States hereby advises the Court that it does not intend to move to amend its complaint-in-intervention at this time. However, the United States reserves all rights to file such a motion in the future as permitted under Section I of the Case Management Order, *see* ECF No. 229, § I, including (1) in response to the Court's ruling on defendants' pending motion to dismiss;

and (2) to name as defendants additional Medicare Advantage organizations associated with Cigna that administered Medicare Advantage healthcare plans and engaged in the conduct alleged in the complaint-in-intervention, which may be identified through discovery.

Respectfully submitted,
