Re: *United States v. The New York and Presbyterian Hospital*, No. 26 Civ. 02480 (S.D.N.Y.)

Dear Judge Engelmayer:

We provide this joint status update on behalf of The New York and Presbyterian Hospital (“NYP”) and the United States with respect to the categories of documents subject to the United States’s motion to compel (ECF 43).

Since the prior joint status report on September 8, 2026 (ECF 66), the Parties have continued to productively discuss NYP’s Board materials and other discovery matters. NYP intends to make a final production by the end of this week that will substantially complete its production of board materials covered by the motion to compel. NYP also expects this week to make a production of the remaining outstanding contract materials.

Respectfully submitted,

/s/ Joon H. Kim
