KATHARINE H. PARKER, United States Magistrate Judge:

POST-CONFERENCE ORDER

On July 7, 2026, the parties appeared before the undersigned for a Case Management Conference. As set forth in greater detail on the record:

The parties are directed to meet and confer in good faith to narrow the ongoing disputes concerning the Government's interrogatories. Insofar as the government elects to defer a portion of or all its interrogatory requests pending the completion of Rule 30(b)(6) depositions, it may do so and may submit a letter motion by no later than **July 21, 2026**, requesting a limited extension of time to the discovery schedule for the limited purpose of serving and responding to a limited and narrowed set of interrogatories. The letter shall also update the Court on the status of Rule 30(b)(6) depositions and any outstanding issues related thereto.

Further, for the reasons stated on the record, the Court's Order at ECF No. 542 applies to preclude both interrogatories and depositions.

SO ORDERED.

DATED: New York, New York
