Proceedings: (In Chambers) Order Re: Objections to Special Master's Order

The court has reviewed and considered all the briefing filed with respect to plaintiff United States's Motion for Review of Special Master's Order Denying Without Prejudice Motion to Compel Discovery (Dkt. 422, "Motion"). The Special Master did not err in the Order of May 28, 2021 (Dkt. 419), by denying plaintiff's motion to compel discovery responses at this stage and providing plaintiff the opportunity to renew the motion at a later time. See Fed. R. Civ. Proc. 53(f). Accordingly, plaintiff's Motion (**Document No. 422**) is **denied**.
