

quick, efficient way to resolve payment disputes between out-of-network providers of emergency services and health plans, Cigna and Aetna have used the NSA to further their crusade to deny, delay and underpay out-of-network providers of emergency medical services. After providers receive low initial payments from Defendants, providers must jump through the many hoops in the NSA to receive an award of fair compensation. And once they receive an IDR award, Defendants do not pay it or delay payment far beyond the statutorily-mandated 30 day deadline and do not include interest on the late payment. This “low pay, late pay or no pay” scheme often results in Plaintiffs not receiving fair compensation until many months and sometimes years after the emergency transport occurred, if they ever receive it at all.

2. This scheme falls squarely within the type of unfair and deceptive trade practice that the State of Connecticut prohibits its residents from engaging in. To date, Defendants have late-paid or not paid over twenty million (\$20,000,000) in IDR awards. Defendants are ignoring federal law and violating Connecticut state law and must be held accountable.

PARTIES

3. Plaintiff REACH Air Medical Services LLC (“REACH”) is a California limited liability company. Its sole owner is Global Medical Response, Inc. (“GMR”) through other solely-owned limited liability holding companies. GMR is a Delaware corporation with its principal place of business in Texas.

4. Plaintiff CALSTAR Air Medical Services, LLC (“CALSTAR”) is a California limited liability company. Its sole owner is GMR through other solely-owned limited liability holding companies.

5. Plaintiff Guardian Flight, LLC is a Delaware limited liability company. Its sole owner is GMR through a solely-owned limited liability holding company.

6. Plaintiff Med-Trans Corporation is a North Dakota corporation with its principal place of business in Texas.

7. Plaintiff Air Evac EMS, Inc. is a Missouri corporation with its principal place of business in Missouri.

8. Plaintiff AirMed International, LLC is a Delaware limited liability company. Its sole owner is GMR through a solely-owned limited liability holding companies.

9. Defendant Aetna Health, Inc. is a Connecticut corporation with its principal place of business in Connecticut. It provides insurance and benefit administration services in states around the country. It is licensed and regulated by various insurance departments, including the Texas Department of Insurance. Aetna Health, Inc. was served with process and has appeared through counsel.

10. Defendant Aetna Life Insurance Company is a Connecticut corporation with its principal place of business in Connecticut. It provides insurance and benefit administration services in states around the country. It is licensed and regulated by various insurance departments, including the Texas Department of Insurance. Aetna Life Insurance Company was served with process and has appeared through counsel.

11. Defendant Aetna Health and Life Insurance Company is a Connecticut corporation with its principal place of business in Connecticut. It provides insurance and benefit administration services in states around the country. It is licensed and regulated by various insurance departments, including the Texas Department of Insurance. Aetna Health and Life Insurance Company was served with process and has appeared through counsel.

12. Defendant Cigna Health and Life Insurance Company is a Connecticut company with its principal place of business in Connecticut. It provides insurance and benefit administration services in states around the country. Cigna Health and Life Insurance Company was served with process and has appeared through counsel.

JURISDICTION AND VENUE

13. This Court has diversity jurisdiction over this matter pursuant to 28 U.S.C. §§ 1331-1332 as all plaintiffs are diverse from all defendants and the amount in controversy exceeds \$75,000. This Court also has federal question jurisdiction under the NSA, which includes a right to payment of IDR awards within thirty days of issuance. *See* 42 U.S.C. § 300gg-112(b)(6); 29 U.S.C. § 1185e(b)(6). This Court also has federal question jurisdiction under the civil enforcement provisions of ERISA. 29 U.S.C. §§ 1132(a)(1) and (a)(3).

14. Venue is proper under 28 U.S.C. §§ 1391(b)(1) and 1391(c)(2) because Defendants are residents of this district and the Court has personal jurisdiction over them.

FACTUAL BACKGROUND

15. The air ambulance industry plays an integral role in the American healthcare system. Air ambulances often serve as the only lifeline connecting critically ill and injured patients to healthcare, particularly in rural areas. They transport trauma, stroke, heart attack, and burn patients and other emergent cases requiring critical care. Without air ambulances, more than 85 million Americans would not be able to reach a Level 1 or 2 trauma center within an hour when emergency care is needed. The delivery of on-demand, life-saving air ambulance services in emergencies requires substantial investments in specialized aircraft, air bases, technology, personnel, and regulatory compliance systems.

16. The NSA became effective January 1, 2022. It is implemented and enforced by the combined efforts of the U.S. Departments of Labor, Health and Human Services, and the Treasury (the “Departments”), which together created a mandatory federal dispute resolution process to determine pricing for all out-of-network (“OON”) emergency air ambulance transports of patients who are covered by commercial health plans.

17. Under the NSA, health plans and insurers have thirty (30) days from the date the bill is transmitted by the provider to pay or deny the claim. 42 U.S.C. § 300gg-112(a)(3)(A-B). If the initial payment is too low, the provider may initiate an “open negotiation period” to attempt to negotiate a higher amount. *Id.* § (b)(1)(A). If negotiations fail, the provider may initiate the IDR process. *Id.* § (b)(1)(B).

18. The IDR process requires both parties to submit position statements and proposed offers of payment for the services at issue to a third party IDR entity. *Id.* § (b)(5)(B)(i)(I). The IDR entity then evaluates both proposed offers based on a number of statutory factors and selects one as the appropriate OON payment for the transport. *Id.* § (b)(5)(C). After an IDR determination, the health plan or insurer is required to pay any amount owed **within thirty (30) days**. *Id.* § (c)(6).

19. Plaintiffs followed these steps for each of the transports at issue herein, which took place across the country. Each transport concerned a health plan that was administered by a Defendant and either fully insured by the Defendant or self-insured. Each of the disputes was initiated with the Centers for Medicare and Medicaid Services (“CMS”) and submitted to a certified IDR entity for decision. Each proceeding resulted in Plaintiffs being owed additional payment for the out-of-network transport.

20. Each IDR determination at issue concerns a health plan insured and/or administered by one of the Defendants that utilizes that Defendant's provider networks. Defendants received the benefit of air ambulance transports for their beneficiaries during times of emergent medical needs. In many situations, lives were saved or more serious conditions avoided (and thus the costs associated therewith). For each IDR determination, Defendants made an initial payment on the claim that was unreasonable and well below the amount ultimately awarded in IDR.

21. Defendants make low initial payments hoping that providers will be too busy to file IDR proceedings or will miss one of the NSA's strict deadlines. This forces Plaintiffs to go through the IDR process, which is burdensome and costly, on every transport. Indeed, proof of Defendants' unfair payment practice is reflected by the fact that IDR entities on average have determined that the appropriate price for transports is *nearly 150% more* than what Defendants initially pay.

22. When providers like Plaintiffs challenge these low payments and receive IDR awards for higher ones, Defendants next either unreasonably delay payment, partially pay what is owed, or never pay at all. Several awards at issue in this proceeding with outstanding balances are more than 500 days past due. And when Defendants do pay, they do not include interest to account for the time value of the money that has been illegally withheld.

23. Defendants know they are statutorily required to pay IDR awards within thirty days. However, they do not invest in the compliance systems and personnel needed to meet their obligations under federal law because they know that they, their shareholders, and the health plans they serve profit from lack of compliance and violation of the mandatory payment obligations. Defendants know that the longer they delay or deny payment, the more they earn

from the interest and/or investment income generated for their fully insured business. And with respect to self-funded health plans, Defendants know they must compete with other companies (and each other) for the administrative fees those plans generate. By delaying payment or not paying IDR awards, Defendants are able to keep the health plans' claims costs arbitrarily low, thus incentivizing plans to stay with them or using the results to market their services to other health plans.

24. Defendants' practice and policy of failure to timely pay IDR awards has become a widespread business practice. This business practice is evidenced by: 1) the numerous unpaid and/or late paid IDR awards at issue in this lawsuit, and 2) the number of plaintiffs in this lawsuit that have failed to receive timely payment of IDR awards. Upon information and belief, many other providers of emergency services are being subjected to the same unfair business practices.

25. This suit was filed over a year ago. Yet Defendants continue their unfair practice of low payments followed by late, partial or no payment of IDR awards. Plaintiffs seek herein to enforce their late-paid and unpaid IDR awards and to compel Defendants to make timely future payments. They seek interest on all awards, including interest on the amount of interest Defendants should have included when they paid awards late. They further seek post-judgment interest, attorney's fees, costs, punitive damages and equitable relief.

26. A chart listing the dispute numbers for each IDR award against Aetna that was paid late or remains unpaid is attached hereto as Exhibit "A." A chart listing the same information for Cigna is attached hereto as Exhibit "B."

COUNT ONE (APPLICABLE TO ALL IDR DETERMINATIONS)

Action for Payment of IDR Determinations (NSA 42 U.S.C. §300gg-112(b)(6))

27. Plaintiffs incorporate by reference the allegations set forth in Paragraphs 1-26 as if fully set forth herein.

28. The NSA states that a determination of a certified IDR entity “*shall be binding upon the parties involved*” and that payment “*shall be made* directly to the nonparticipating provider *not later than 30 days after* the date on which such determination is made.” See 42 U.S.C. §§ 300gg-111(c)(5)(E), 112(b)(6) (emphasis added).¹ More than thirty days have passed for all of the IDR determinations at issue herein. Defendants did not challenge the awards. They simply did not pay them timely or did not pay them at all.

29. While Plaintiffs believe they are entitled to enforcement of the IDR awards under the NSA, at least one federal court has enforced an IDR award with reference to both the NSA and the Federal Arbitration Act. Accordingly, in the alternative, Plaintiffs seek confirmation of the IDR awards at issue herein pursuant the Federal Arbitration Act, 9 U.S.C. § 1 *et seq.*

30. Plaintiffs are entitled to have the IDR determinations enforced. The amounts owed on unpaid, partially paid and late-paid awards plus prejudgment and post-judgment interest should be issued as a federal judgment, and the Court should assist in post-judgment collection efforts.

¹ The NSA amended three different federal statutes governing different types of health plans. While most litigants and court opinions to date have cited to the Public Health Service Act for convenience, which is the cite used in this section of the complaint, the same provisions are part of ERISA and the Internal Revenue Code.

COUNT TWO
(APPLICABLE TO IDR DETERMINATIONS
FOR DEFENDANTS' SELF-FUNDED BUSINESS)

Claim for Enforcement of NSA Under ERISA and Payment of Plan Benefits
(ERISA 29 U.S.C. §§ 1332(a)(1)(B) and 1332(a)(3))

31. Plaintiffs incorporate by reference the allegations set forth in Paragraphs 1-30 as if fully set forth herein.

32. Self-funded employer health plans are governed by the Employee Retirement Income Security Act ("ERISA"). Plaintiffs have been assigned all of their patients' claims under ERISA. Accordingly, Plaintiffs step into the shoes of, and are now considered, ERISA beneficiaries pursuant to 29 U.S.C. § 1002(8) for IDR awards concerning self-funded plans Aetna and Cigna are administering. As beneficiaries, Plaintiffs are entitled to plan benefits and to enforce ERISA, which includes the obligation to pay NSA awards within thirty days. Defendants are responsible for ERISA and NSA compliance for the plans they administer.

33. Patients have a strong and concrete interest in making sure their health plans are complying with the NSA, including paying IDR awards in accordance with federal deadlines. Many of the transports at issue herein were provided to patients in rural or super rural (also known as frontier) parts of the country. Rural areas are remote and sparsely populated, with people often far away from quality specialized healthcare (including trauma care), schools, grocery stores, and other necessities. Rural areas face challenges in providing access to health and human services. Other regional or hospital-based or small air transport companies cannot provide extensive rural coverage. Health plan beneficiaries in rural areas are particularly invested in making sure national air ambulance providers like Plaintiffs are timely and actually paid IDR awards so that life-saving air ambulance transports remain available to them.

34. Plaintiffs have aircraft and personnel on standby 24/7 regardless of whether an emergency transport is needed. To be fully staffed for emergency service, an air ambulance base needs four pilots, four flight nurses, four flight paramedics, and an aviation mechanic. Already, some air ambulance providers have closed bases because of cash flow problems created by the NSA and IDR process, with bases serving remote and rural areas (being the least profitable bases) often the first to go. For example, in late summer 2022, national air ambulance operator Air Methods announced the closure of air bases across the country. As it stated in its letter to its customers:

Unfortunately, *due to the pressures of the No Surprises Act* (NSA), Air Methods has had to make *the difficult decision to close several bases nationwide . . .*

The decision to close these bases was not taken lightly. We worked diligently for months conducting extensive financial analysis and exploring every option possible. *However, the challenges we're facing with the NSA have been difficult to overcome . . . making it financially unsustainable to keep these bases open.*

We are aware that this will further impact access to critical healthcare services in your community so we will work closely with you to help connect you with other air medical programs in the area.

Our mission is to provide life-saving efforts to those who need us the most so it is immensely frustrating that we can no longer deliver on our mission because of challenges beyond our control.

See also “Air ambulance service closing St. Joseph base” (available at https://www.newspressnow.com/news/local_news/health/air-ambulance-service-closing-st-joseph-base/article_6f22de36-2eeb-11ed-835e-af23372c99ee.html (article dated Sept. 7, 2022)); “Abrupt closure of air ambulance company leaves many in shock.” (available at <https://www.hawaiinewsnow.com/2022/09/08/air-ambulance-company-shuts-down-suddenly/> (article dated Sept. 8, 2022)). On October 24, 2023, Air Methods filed for bankruptcy protection.

35. Another example of the impact on patients of non-compliance with the NSA is the May 2023 Envision Healthcare bankruptcy. Envision is a medical staffing company that staffs many emergency room departments across the country. Its emergency room physicians are subject to the IDR process just like air ambulance providers. In its filing, Envision explained how the NSA has “shift[ed] the power dynamic in payment disputes too far in the favor of insurance companies[,]” and some payors “have used the [NSA] and its implementing regulations as an excuse to avoid payment to medical groups like Envision and affiliated entities.” Payors like Defendants have “aggressively denied, delayed, and reduced payment terms, often below the direct cost of delivering care.” This results in ER staffing shortages, particularly in rural communities.

36. Plaintiffs as assignees are entitled to sue under ERISA “to enjoin any act or practice which violates any provision of [ERISA subchapter I],” “to obtain other appropriate equitable relief,” “to redress such violations,” or “to enforce any provisions of [ERISA subchapter I] *or* the terms of the plan.” 29 U.S.C. § 1132(a)(3) (Civil enforcement) (emphasis added). The NSA is part of ERISA subchapter I. In particular, it is located at 29 U.S.C. §§ 1185e (Preventing surprise medical bills) and 1185f (Ending surprise air ambulance bills). Accordingly, Plaintiffs as assignees are entitled to enforce all of the NSA’s requirements with respect to ERISA health plans. Plaintiffs hereby seek civil enforcement against Defendants of the NSA’s requirement to pay IDR awards within thirty days. *See* 29 U.S.C. § 1185e(b)(6).

37. Payment of IDR awards is also a benefit under all ERISA plans as a matter of law. Accordingly, Aetna and Cigna improperly denied benefits and violated other parts of ERISA (other than the NSA) by failing to pay IDR awards within thirty (30) days of each decision. Defendants’ actions were in derogation of Plaintiff’s rights pursuant to law and

constituted an abuse of discretion by: 1) not properly interpreting plan terms that are not ambiguous; 2) exercising discretion over non-discretionary plan terms; and 3) denying Plaintiffs payment and benefits under the plan terms.

38. Defendants' denial of payment and benefits upon the finality of IDR determinations were not substantially justified decisions, were arbitrary and capricious, were unsupported by substantial evidence, constituted abuse of any discretion allowed, and were wrongful under all the circumstances.

39. Plaintiffs, as assignee, hereby assert claims under 29 U.S.C. §§ 1332(a)(1)(B) and 1332(a)(3) to enforce the NSA and recover payment due on the IDR awards, including interest on those paid late, for the health plans administered by Defendants that are subject to ERISA. Plaintiffs further seek equitable relief enforcing prospectively Defendants' obligation to pay awards within thirty days, and all other appropriate equitable relief to redress such violations, such as the filing of quarterly reports with the court certifying compliance for an appropriate period. Pursuant to 29 U.S.C. § 1132(g), Plaintiffs further seek an award of reasonable attorney's fees and costs incurred in bringing this action.

COUNT THREE
(APPLICABLE TO IDR DETERMINATIONS FOR DEFENDANTS'
FULLY INSURED BUSINESS AND, IN THE ALTERNATIVE
TO COUNT TWO, DEFENDANTS' SELF-FUNDED BUSINESS)

Violation of the Connecticut Unfair Trade Practices Act
Conn. Gen. Stat. Ann. §§ 42-110a *et seq.* ("CUTPA")

40. Plaintiffs incorporate by reference the allegations set forth in Paragraphs 1-39 as if fully set forth herein.

41. Each Plaintiff is a "person" within the meaning of Conn. Gen. Sta. Ann. § 42-110a. Defendants are engaged in "trade" and "commerce" within the meaning of Conn. Gen.

Stat. Ann. § 42-110a as they sell health insurance and administrative services from within the state.

42. Defendants have used and employed unfair methods of competition and unfair or deceptive acts or practices in the conduct of trade or commerce. These practices include, without limitation, making low initial payments that force providers to file IDR proceedings to obtain a fair payment, not paying IDR awards within thirty days as required by federal law, not including interest on late payments when made, and not investing in the compliance programs, systems and personnel needed to assure timely payment of IDR awards.

43. Defendants' acts and practices offend public policy and are unethical, oppressive and unscrupulous. They violate public policy embodied by ERISA and the NSA, which require payment of IDR awards "directly to the nonparticipating provider not later than 30 days after the date on which" an IDR determination is made. *See* 29 U.S.C. § 1185f (b)(6).

44. These practices also constitute engaging in unfair settlement practices in violation of Conn. Gen. Stat. §38a-816(6)(F) for not attempting in good faith to effectuate prompt, fair and equitable settlements of claims in which liability has become reasonably clear. Defendants' unreasonably low initial payments are unfair and not good faith attempts to effectuate equitable settlements. During the Open Negotiation Period, Defendants are not attempting in good faith to effectuate prompt, fair and equitable settlements. And once an IDR determination issues, and the precise amount owed by them is unquestionably clear, they do not promptly, fairly and equitably settle the claim by paying the amount in the award (less any initial payment already made). Defendants' conduct has occurred with such frequency as to Plaintiffs and other providers of emergency healthcare services that it has become their regular business practice.

45. Plaintiffs have suffered substantial injury and an ascertainable loss of money as a result of Defendants' acts or practices. Plaintiffs seek recovery of damages, reasonable attorneys' fees, punitive damages, equitable relief and other appropriate relief as requested below.

PRAYER

WHEREFORE, Plaintiffs respectfully prays for judgment against Aetna and Cigna under the NSA, ERISA, CUTPA and/or 28 U.S.C. § 1961 for the following damages and relief:

- a. Enforcement of all IDR awards not paid within thirty days as required by federal law under the NSA or, alternatively, the FAA;
- b. With respect to the portion of IDR awards unpaid as of the date of judgment, the amount outstanding on each award plus interest or the return on investment realized by Defendants on the amount owed for each IDR award from the 31st day after each decision was issued until the date of judgment;
- c. With respect to the portion of IDR awards paid late as of the date of judgment, interest or the return on investment realized by Defendants on the amount owed for each IDR award from the 31st day after each decision was issued until the date Plaintiffs received payment and then interest on the amount of unpaid interest or investment income that had accrued on the award at the time of payment until the date of judgment;
- d. Pre- and post- judgment interest;
- e. Attorney's fees and costs of suit;
- f. Punitive damages;

- g. Equitable relief requiring Defendants to comply with ERISA and the NSA by paying all future IDR awards within thirty (“30”) days; and
- h. Any and all additional legal or equitable relief to which Plaintiffs may be entitled and this Court deems just and proper.
