

ORDER. The 207 Motion to Strike is DENIED because Plaintiffs' "Second Supplemental Damages Calculation, Second Supplemental Initial Disclosure and Expert Disclosure" submission is not a "pleading." Fed. R. Civ. P. 12(f); see also Fed. R. Civ. P. 7(a). Motions to strike are also "generally disfavored" in this district. *Rivera v. Gatestone & Co.*, No. 3:23-CV-00035-MPS, 2023 WL 5530685, at *2 (D. Conn. Aug. 28, 2023) (internal quotation marks omitted). To the extent that this motion embodies a dispute about the adequacy or timeliness of the disclosures of damages or legal theories in Plaintiffs' submission, the parties should address these concerns with Judge Vatti. Signed by Judge Michael P Shea on 3/5/2025. (Bender, S) (Entered: 03/05/2025)
